“A LOVE FOR THE TRUTH” (PART 1)

BY: BOB SPURLIN

The most compelling need of our day is a love for the truth. Unfortunately there is a deficiency in this regard that is woefully lacking. Note the following illustration. As a boy my father, grandfather, brothers, and I would go to Bentley's Barbershop in Hartselle, AL to get a haircut. My grandfather, J. F. Dean, was an elder in the church, and was recognized as a walking Bible. Occasionally at the barbershop a question would be raised about the Bible or some Bible related subject. My grandfather would reply “the Bible says so and so,” and then would quote the scripture in question. My memory is clear, although more than four decades have passed, yet that place of business reverberated with a resounding silence. The passion of his response was so thorough, so complete, that it left those present stunned. The presentation of truth silenced the would be querist, and convicted the hearts of those present. Beloved, there was a day when men and women would shudder at the truth and/or tremble at the spoken word (Heb. 4:12; Acts 24:25). Would to God those days would return.

How do we show our love for the truth? Initially, we should love hearing the truth or Gospel proclaimed (Eph. 4:15; Acts 2:41). I've noticed over the last ten to fifteen years a lack of appreciation for the truth and the majesty of God's written word. One brother told a Gospel preacher that he should watch what he said because there were sectarian people in the audience. One even remarked that he should not speak on religious error due to certain people being present.
