## BIBLE SCHOOL CORNER

### Intermediate and Primary Bible Classes

II Chronicles 20:13 says, “And all Judah stood before the LORD, with their little ones, their wives, and their children.” It is important that no matter what age a person is, that this person study the Word of Almighty God. At the youngest of ages, the only possible way to do is through verbal communication as they cannot read. Then, when they can read, they should read and listen to teaching and preaching, also.

Let us do all that we can teach, even the “little ones” what God wants this world to know. We offer these services through our lives, examples, and through our Bible Class program!
