Jeff Johnson, Instructor & Family

We are happy to support Tri-Cities School of Preaching and Christian Development and the work of Jeff Johnson, an instructor there. Tri-Cities School of Preaching was founded in 2001 in Elizabethton, TN to further the cause of developing excellent preachers in the churches of Christ and to train men of the Book. The school offers two-year and three-year certificate programs in Bible. The school is authorized by the Tennessee Higher Education Commission and is under the oversight of the Stoney Creek church of Christ in Elizabethton, TN. Classes are offered on campus for Christian men and women with men being trained to become Gospel preachers and women being trained teach women and children.

II Timothy 2:2 says, “And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.” Through the training of Gospel preachers and teachers and in the various works that we do, we are working to ensure that the Word continues to be preached and taught throughout the world.
