# LETTERS TO CAMPAIGN CHURCH OF CHRIST - "CAPITAL CAMPAIGN"

**BY: GLENN RICHARDSON  
OF TENNESSEE CHILDREN'S HOME**

Dear Friends,

This is part of the email that didn't go through yesterday. I hope you will share this very important information with your congregation along with the letter that came yesterday. We will be sending other facts about Tennessee Children's Home for the next few weeks until August 31. Thanks so much for your help in communicating this with your congregation!

Glenn Richardson

Dear Friends of Tennessee Children's Home,

**Most of you are aware that Tennessee Children's Home is one of the oldest church of Christ childcare agencies in the UNITED STATES OF AMERICA and the largest east of the Mississippi.**

We are grateful for the support your congregation gives to Tennessee Children's Home! This mission with Tennessee children and youth would not be possible without our brethren. In Tennessee, more and more at-risk children and youth need treatment and there is nowhere for them to go for help.

It is an exciting time for Tennessee Children's Home as we are embarking on a huge fundraising effort for the first time in the history, a campaign to raise \$6 million dollars. This will help us to increase the size and capabilities of our East and West Tennessee campuses. This information was recently mailed to your congregation. We need your prayers and support!

We are asking each congregation to consider doubling their support over the next 3 years, which will result in raising 3 million dollars of the 6 million dollar goal. **AUGUST 31**, is our target date for a commitment to this campaign. During the next 11 weeks we will send additional information reminders. We are asking that you or someone please share this information with your congregation in announcements, bulletins and/or power point. We need you or someone to be a spokesperson for us and to let us know if your congregation will be participating in this opportunity to help in this worthy mission.

In Christian Love,  
Tennessee Children's Home

Dear Friends of Tennessee Children's Home,

Thank you for the continued prayers and support! Please continue to share this information with your congregation so we can hopefully and prayerfully reach our goal! We can't accomplish this goal without your help and the help of God!

May God Bless you all!

Glenn Richardson on behalf of Tennessee Children's Home
