Secondly, there is the face a liberal shows the young people of the congregation (especially the high school, college age and the young intellectuals) when he raps with them or speaks to their youth meetings. He will be very pious and holy, speak the youth dialect and say just what they want to hear. He talks of love and service and loyalty to Jesus. If no dangerous (sound) adults are present he generally coyly ridicules and knocks the older brethren and leadership of the congregation and brotherhood. with his smooth and fair speech, he beguiles the hearts of the innocent (Rom. 16:18).

Thirdly, there is the face shown, when the liberal writes about the "conservative" opposition in the liberal media or when speaking in a forum of liberals. Here you see his true colors. The fangs really hang out. A transposition occurs: the gentle lamb becomes the roaring lion. The loving, pious, spiritual giant suddenly loses all his spiritual trappings and becomes a virulent spouter of venom toward all those brethren who would stand in his way and challenge his false doctrine. No terms of derision are too strong. Name-calling and "labeling" which he protests under other faces, he freely uses while speaking from this mask. Like Diotrepthes, he prates against God's faithful men with wicked words (3 John 10).

“A Friendly Church Seeking to Edify Each Other  
as We Shine as Lights unto the World”

“Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee (Jude 9).”

# “THE FIVE FACES OF LIBERAL: PART 1”

BY: JOHN WADDEY

The Lord's church is troubled across the nation by an element of teachers that have never shared the common salvation and faith of Jude 3, or else have abandoned it. Rather than being backsliders who fall away, they are devious heretics who stay among us to change the faith and practice of the church into a different form. The correct term to use in identifying these false teachers is difficult to decide. Since the term "liberal" has been tagged upon them, and since they are liberal in their attitude toward the authority of the Bible, we shall stick with that.

Sadly, a great number of our brethren are deceived by the sly tactics of these liberals. Like the Greek actors of old, these evil men hide behind a variety of masks, each portraying a totally different side of his nature.

First, there is the face he shows the preachers and elders of a strong, doctrinally sound congregation. He says what they want to hear. He even preaches acceptable Bible lessons. He gives right sounding answers to questions. He even says he is against liberalism. (Of course, he reserves his own private interpretation of the word.) He leaves the impression (false albeit) that he is just as sound, conservative and loyal to the cause of Christ as any among us. I have observed this personally in several instances. A liberal preacher can move to any unsuspecting congregation and preach perfectly Scriptural sermons for a year or two until he has established himself and then the mask is removed. Surely these are hidden rocks in our love-feasts (Jude 12).
