“A Friendly Church Seeking to Edify Each Other
 as We Shine as Lights unto the World”
 Serving Since 1923

“And the four beasts said, Amen. And the four and twenty elders fell down and worshipped him that liveth for ever and ever (Revelation 5:14).”

“THE FRUITS OF SIN: PART 3”

BY: ROELF L. RUFFNER

I am thankful for the congregational autonomy of the New Testament church. Congregation "A" has no scriptural authority to prescribe what congregation "B" can practice or teach. Yet they should lovingly point out doctrinal error and even disassociate themselves from an apostate congregation if necessary (Rom. 16:17). This is one way the Lord isolates apostasy and keeps it from spreading to other parts of the body (1 Cor. 11:18-19).

Any denomination begins harmlessly enough. A religious conglomeration of individual congregations forms which follows some leader espousing doctrines foreign to the New Testament. Again contrary to the New Testament, they form a denomination with each local congregation giving up some of its autonomy in the process. They organize conventions or ruling bodies which make rules and regulations not found in the New Testament. A bloated bureaucracy follows, demanding part of the "tithes and offerings" of the local body. More and more the local body is governed by a hierarchy in a distant city. Gradually the denominational leadership becomes imbued with secular ideas and modernism.
