“And he arose and went: and, behold, a man of Ethiopia, an eunuch of great authority under Candace queen of the Ethiopians, who had the charge of all her treasure, and had come to Jerusalem for to worship, Was returning, and sitting in his chariot read Esaias the prophet (Acts 8:27-28).”

## “MARK AND AVOID: PART 1”

BY: JIMMY B. HILL

"Now I beseech you, brethren, **mark** them which cause divisions and offences contrary to the doctrine which ye have learned; and **avoid** them" (Rom. 16:17).

It has been said that the idea of "branding" a brother (or a group of brethren) is not in the word translated "mark" in this verse. However, the word demands the act of taking note of a person. It means to regard, consider, take heed, look at, observe, contemplate. False teachers certainly fall into this category so that we might be able to avoid them and warn others of them. And, does this not demand that they be branded, exposed, revealed, for what they are? Still, some may say, "well, that is unkind, unloving, and un-Christ-like." But, is it? Jesus said, "Take heed and beware of the leaven of the Pharisees and of the Sadducees" (Matt. 16:6). He also said, "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves" (Matt. 7:15). Did Jesus not love them? Was Christ unkind? No, not at all. Yet, He did expose the Pharisees and the Sadducees and warn others of them.
