## “A HASTY CONCLUSION: PART 3”

BY: HARDEMAN NICHOLS

**Defensive liars.** Even Abraham was guilty of this. When he feared for his life, he urged Sarah to tell the Pharaoh a half-truth (Gen. 12:10-20).

**Political liars.** There is so much of this in political rhetoric. One sees it in almost every election.

**Covetous liars.** Ananias and Sapphira lost their souls over this in Acts 5. Are some guilty today when they give? What about the figures reported on tax returns.

**Religious liars.** There are some pious frauds, who make great claims as miracle workers and prophets today, just as there were false apostles who were found to be “liars” (Rev. 2:2). If one does not have a love for the truth, God will cause such to believe a lie and be lost eternally. (2 The. 2:8-12).

Need more be said? Lying is prevalent; but it is hasty to say all are liars. Christians have become new creatures and obey the rule: “Lie not one to another, seeing that ye have put off the old man with his deeds” (Col. 3:9). They now follow Jesus who is the “truth” (John 14:6). They confidently believe “Lying lips are abomination to the LORD: but they that deal truly are his delight” (Pro. 12:22).

All men are not liars; but God says all who are “shall have their part in the lake which burneth with fire and brimstone: which is the second death” (Rev. 21:8).

**A WOMAN  
DOES HAVE THE  
RIGHT TO CONTROL  
HER OWN BODY.**

**BUT,  
THE UNBORN CHILD  
IS NOT HER BODY.**

- The genetic code of the unborn is different than the mother's.
- The unborn may not even be the same sex as the mother.
- The unborn may even have a different blood type than the mother.
- Thus, the unborn is a new, unique human life.

Let us protect all human life.
