“A HASTY CONCLUSION: PART 2”

BY: HARDEMAN NICHOLS

Business liars. Corporate advertising ahs become notorious for this. Even salesmen will misrepresent to make a sale. Yet the Bible says, “A false balance is abomination to the LORD” (Pro. 11:1).

Promissory liars. This kind makes debts, not intending to pay. They borrow and do not return. The apostle Paul admonished, “Owe no man any thing, but to love one another” (Rom. 13:8).

Gossiping liars. Not quite vile enough to “make up” the reproach, they “take it up.” It is related without even checking its veracity. And this type of liar often adds “juicy morsels” to what has been heard. “Thou shalt not go up and down as a talebearer among thy people” says Leviticus 19:16.

Entertaining liars. These declare the colorful stories they tell actually happened tot hem, when in fact they did not. We should make our “Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil” (Mat. 5:37).
