“THE THIEF ON THE CROSS: PART 1”

BY: RON BOATWRIGHT

The sad thing is that there are many people today who try to use "the thief on the cross" as their justification for not obeying the clear and plain command of Jesus to be baptized. On the Day of Judgment it will not be the case of "what about the thief on the cross". The thief on the cross was before the death of Christ and before the New Testament took effect. Hebrews 9:17 says, "For a testament is in force after men are dead, since it has no power at all while the testator lives." We cannot be saved like the thief because Christ's New Testament is in effect for us today. Anyone refusing to obey Jesus on His terms has no legitimate claim on the salvation that Jesus offers. One will certainly be held accountable for his disobedience by the eternal loss of his soul. He will only have himself to blame.

We appreciate both for all of the work that they did here and throughout the Kingdom. Please remember to pray for comfort for their family.
