“LET US STAND TOGETHER: PART 1”
BY: MIKE TINCHER

It seems that, at an alarming rate, we are seeing congregations of the Lord’s church and many of its members cowering down to social and family pressures concerning the subject of marriage, divorce, and remarriage. Many are attempting to turn this doctrinal issue into a matter of opinion — casting aside and trampling the very clear teaching of Christ in Matthew 5:31-32, Matthew 19:1-12, Mark 10:1-12, and Luke 16:18; and, the teaching of the apostle Paul in 1 Corinthians 7:10-16, 39 and Romans 7:2.

This has created a rift in fellowship between congregations, as it should, as Ephesians 5:11 teaches. However, it also has created what I would refer to as a “Don’t ask - don’t tell” policy among our brethren because they feel ignoring it will make it go away. It has also led to much compromise and twisting of scriptures —trying to turn a black and white teaching into a gray area and attempting to create a loophole where none exists. There are even those who are saying the four accounts of the Gospel are not part of the New Testament dispensation. This is an attempt to nullify Christ’s teaching on marriage, divorce, and remarriage, saying it applies to the Old Law only and not to the Christian dispensation.
