"A Friendly Church Seeking to Edify Each Other
 as We Shine as Lights unto the World"
 Serving Since 1923

"And all the angels stood round about the throne, and about the elders and the four beasts, and fell before the throne on their faces, and worshipped God, Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen (Revelation 7:11-12)."

“THE FRUITS OF SIN: PART 4”

BY: ROELF L. RUFFNER

This article has been published in 4 parts. Part 3 mentioned these among other words, “I am thankful for the congregational autonomy of the New Testament church. Congregation "A" has no scriptural authority to prescribe what congregation "B" can practice or teach. Yet they should lovingly point out doctrinal error and even disassociate themselves from an apostate congregation if necessary (Rom. 16:17). This is one way the Lord isolates apostasy and keeps it from spreading to other parts of the body (1 Cor. 11:18-19).” It is important that the church have congregational autonomy as we see. The 4th part of this article, which is the conclusion, is published below.

Soon this man-made monstrosity is far removed from the idealism of its founder and even the beliefs of the laity. And, one of the fruits of the sin of denominationalism is the acceptance of anti-biblical positions on morality.

Let us use this "report" to show our religious neighbors the sin of denominationalism. If we show them this sin, they may become convinced of the other errors they embrace concerning infant baptism, the Lord's supper, baptism, false worship, the church, etc. Perhaps we can teach them the simplicity and God blessed obedience of New Testament Christianity. They can be freed from creeds and the doctrines of men and be simply Christians, saved by the blood of Christ. God grant us the opportunity and the love to do this!
