**“DALE CARNEGIE OR APOSTLE PAUL?: PART 2”**  
**BY: DAVID SAIN**

In I Timothy 1, Paul did not leave us in the dark as to examples of those who were in error. He named them - "of whom is Hymeneus and Alexander . . ."

We are in the midst of a strong movement today (brotherhood-wide as well as on a local level) which advocates "changes", "nothing old--everything new". Brethren are being told there is no such thing as absolute truth and we should not polarize our- selves, but be tolerant toward all people of all faiths. Basic Bible truths about music, baptism, Holy Spirit, Lord's Supper, scripture inspiration, etc., are being ridiculed and compromised. Many brethren live daily in open sin and rebellion to God.

The church has practically forgotten congregational discipline of mem- bers, failing or refusing to "mark" the Hymeneuses and Alexanders. As a result, false teachers are having a field day among us. And more important, children of God are rushing headlong into apostasy and eventually into hell to die forever!

It is my conviction that the time has come when Christian leaders must forget this foolishness about never criticizing, condemning or marking and start naming and withdrawing from heretical false teachers and willful sinners. The purity, strength and influence of the church hangs in the balance.

Such action may stir the waters of peace for a while, but in the long run, salvation and a "well-done" from the Lord will be ours.
