“A Friendly Church Seeking to Edify Each Other
as We Shine as Lights unto the World”

“If thou count me therefore a partner, receive him as myself
(Philemon 17).”

“THOUGHTS ON THE PASSING OF TIME: PART 1” BY: PAUL WILMOTH

As a boy growing up in the small Algood, Tennessee community, I never thought a lot about the passing of time. Of course, I heard it taught from the pulpit and in Bible Study; but at a young age it didn't sink in very much. If I live very far into the next year I will be well over the seven and one half decades that I have been permitted to live. I consider myself to be living in the “if by reason of strength” portion of the number of years spoken of by the psalmist (Psalm 90:10).

I have taught many lessons on the swift passing of time, and pointed out how each age group deals with this idea. Since I have been engaged in this physical battle (cancer) for over a year now, I have considered what the psalmist said, when he uttered, “Remember how short my time is; For what futility have You created all the children of men? What man can live and not see death? Can he deliver his life from the power of the grave?” (Psalm 89:47-48). In the New Testament James asked the question, “For what is your life?” He answers that question with these words. “It is even a vapor that appears for a little time and then vanishes away” (James 4:14).

James was dealing with those who were making grave errors due to their presumptions stated in the context of this question and answer: “Come now, you who say, “Today or tomorrow we will go to such and such a city, spend a year there, buy and sell, and make a profit”; whereas you do not know what will happen tomorrow” (James 4:13-14a). In their presumptuous assumptions, James lists five things that they had decided about the future and then rebuked them because they did not even know about the next day!
