The purpose of a miracle was to cause men to see that the hand of God and no other power is behind the act. As I said earlier and last Sunday, it was to prove the Word was from God and it did and then miracles were done away with in accordance with prophecy, since we have all things that we need to know given and confirmed unto us in the Bible. The reason that this earth is able to spin as it does and rotate around the sun is because God is maintaining the earth, allowing it doing these things.

“A Friendly Church Seeking to Edify Each Other  
as We Shine as Lights unto the World”  
Serving Since 1923

“Then Job arose, and rent his mantle, and shaved his head, and fell down upon the ground, and worshipped, And said, Naked came I out of my mother's womb, and naked shall I return thither: the LORD gave, and the LORD hath taken away; blessed be the name of the LORD (Job 1:20-21).”

## “GOD MADE AND UPHOLDS THE PHYSICAL OPERATIONS OF THE WORLD”

**BY: JASON GANN**

Acts 14:17 says, “Nevertheless he left not himself without witness, in that he did good, and gave us rain from heaven, and fruitful seasons, filling our hearts with food and gladness.” Everything is upheld by the power of God, Hebrews 1:3. Hebrews 1:1-3 says, “God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high;” Colossians 1:16-17 says about Christ, “For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist.”

We have the food that we have, because God has set up a system whereby we can enjoy seasons with rain and sunshine. Genesis 8:22 says, “While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.” He has set up a system by which plants can yield vegetables and some trees and vines can yield fruit. He created the earth by a miracle, but He upholds the natural laws that He established whereby plants yield after their kind and whereby our physical bodies are able to be nourished by meat, fruit, and vegetables through His providence.

We call the laws by which this earth is governed “laws.” The laws of nature do not operate on their own accord. God sustains their operations. They cannot continue on their own, because the laws have no mind apart from God. Nature is not run by the laws of nature. Let me repeat that point, because so many misunderstand this, even well-meaning brethren. Nature is not run by the laws of nature. It is run by the power of Almighty God. We can see the sun set. We can see fire burn wood. We can see burnt wood turn into gas in the form of smoke. We can see objects fall to the earth. We call all of these effects “laws” and when God alters these operations that we see, He works a miracle.
