Psalm 145:9 says, "The LORD is good to all: and his tender mercies are over all his works."

Romans 8:31 words it this way, "If God be for us, who can be against us?" When we stand with the Lord, He stands with us (Psalm 124). Moses asked in the long ago, "Who is on the LORD's side?" in Exodus 32:26 when the majority of God's people had gone astray, yet the Levites answered that call. The Levites were on the right side of history.

The world and many of its politicians want us to be on the wrong side of history while trying to act like they want us to be on the right side of history. Isaiah 5:20 still says, "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!" Friends, when we answer the call to be on the Lord's side and when we remain on His Side through thick and thin, people now and if the earth stands beyond our lives here, people in the future, who judge in accordance with what is actually right based upon the Scriptures will say that we were on the right side of history. Let us stand together on the right side of history, which is God's Side!

"Our fathers worshipped in this mountain; and ye say, that in Jerusalem is the place where men ought to worship. Jesus saith unto her, Woman, believe me, the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship the Father (John 4:20-21)."

“THE RIGHT SIDE OF HISTORY”

BY: JASON GANN

At times, we will hear politicians speak about the need to be on the right side of history. By this, they mean that we do not want people in future times to look back on us and the positions that we have taken, and say that we were on the wrong side of history. It is so true that we need to make sure that if this world continues beyond our time here that people look back and judge with righteous judgment that we were on the right side of history. Friends, it is important that people who are living now look at us and see that we are on the right side of history for history is being made every second.

The Hebrews' penman speaks about the great cloud of witnesses of those who had gone on to Paradise, who lived such faithful lives for whom the world was not worthy in Hebrews 11 and 12. These give us great encouragement that we can serve God, also, and stand strong just as they did despite all of the things for which they went through in life. Hebrews 11:33-38 says about these, "Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens. Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection: And others had trial of cruel mockings and scourgings, yea, moreover of bonds and imprisonment: They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; (Of whom the world was not worthy:) they wandered in deserts, and in mountains, and in dens and caves of the earth." Brothers and sisters, let us live in such a way to where people will be encouraged to greater service by our lives. Let us provoke each other to love and good works (Hebrews 10:24). May our lives be such that we will even be provoking each other to love and good works if the earth stands beyond our lives here by our examples that we set here and by our teachings like Abel. Hebrews 11:4 says of him, "By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh."

Sadly, often times politicians, when they speak of the right side of history, are actually confused. They are judging the right side of history by their own thoughts and opinions, rather than by God's Word. It is not in man that walks to direct his own steps (Jeremiah 10:23). We must look to God's Word to know all that we need to know about what is right and what is wrong (II Peter 1:3, II Timothy 3:16-17, I John 3:4). Many a person is in the broad and wide way that leads to Hell, while few are on the straight and narrow that leads to Heaven (Matthew 7:13-14). The right side of history is always, always, always the side that is where our Sinless God is standing (Acts 14:17).
