

More Opportunities to Learn about the Gospel!

How We Got Our Bible
Lesson 1

You are about to begin a study of the world's most wonderful book. It has often been called "the book and light" as it is so full of truth. "Bible" means "Book." Actually, it is a compilation of 66 books written by about 40 different authors over a period of 1600 years. The story of how the remarkable book came into being with such part-filing accuracy into the correct and with so little error is most interesting. The main intention is to show how our Bible came to be.

How The Bible Was Written

The Bible is divided into two great divisions known as the Old Testament and the New Testament. The Old Testament is over 2000 years old and the New Testament is the writing was completed about 100 years before the birth of Christ. Originally the Bible books were hand-written on skins or parchment or on paper made from the reeds of the Nile. They were not printed, so every copy of an original had to be made by hand. Therefore, copies were not and extremely valuable.

The 39 Old Testament books were written in Hebrew, except for a few which were written in Aramaic or Greek. The first five were written by Moses about 1500 years B.C. (before Christ). During the next thousand years the remaining books were written. Some were written in Hebrew, some in Aramaic, and some in Greek. The last book, Revelation, was written by John the Apostle about 90 A.D. in the Greek language. The Old Testament was first translated into Latin by Jerome about 400 A.D. and into English by Tyndale about 1525 A.D. The New Testament was first translated into Latin by Jerome about 400 A.D. and into English by Tyndale about 1525 A.D. The Bible was first printed in 1455 A.D. by Johann Gensler at Mainz, Germany. The first Bible printed in America was in 1633 A.D. by the Massachusetts Bay Company. The Bible is now printed in many languages and is available to all people. The Bible is the Word of God and is the foundation of our faith. It is the light that guides us and the power that saves us. It is the book that has changed the world and will continue to do so for all time.

"A Friendly Church Seeking to Edify Each Other
as We Shine as Lights unto the World"
Serving Since 1923

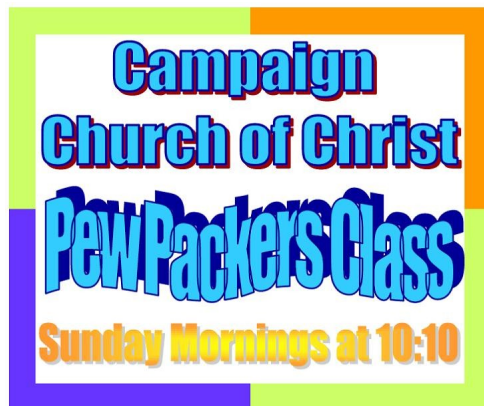

"And Abraham said unto his young men, Abide ye here with the ass; and I and the lad will go yonder and worship, and come again to you, And Abraham took the wood of the burnt offering, and laid it upon Isaac his son; and he took the fire in his hand, and a knife; and they went both of them together (Genesis 22:5-6)."

“COMPROMISING: PART 2”

BY: GUS NICHOLS

Then some brother in society, or standing high in the business world, brings his friends to hear “our preacher.” He wants his friends to like “our church.” So, he, too, wants the saving power taken out of the message. If the preacher preaches it straight, as it is in the Book, the love of God and His precious promises, together with the facts of sin and death, hell fire and brimstone, and some are offended and heard to express dissatisfaction with the preacher and the church, some may put on a move to change preachers. So, here is a danger facing the church, and tends to corrupt the gospel and please the people, rather than try to save them and please the Lord (Rom. 15:3).

“For even Christ pleased not himself; but, as it is written, The reproaches of them that reproached thee fell on me (Romans 15:3).”
