“THE MODERN-DAY DIOTROPHES: PART 1”

BY: **BILL JACKSON**

Diotrephes! As Judas brings to our minds a picture of betrayal, and as Jezebel brings to our minds the worst in female unpleasantness and ungodliness, so the name of this man brings to our minds a pride and arrogance that should never be in God’s kingdom. We find this record of the man:

I wrote unto the church: but Diotrephes, who loveth to have the preeminence among them, receiveth us not. Wherefore, if I come, I will remember his deeds which he doeth, prating against us with malicious words: and not content there- with, neither doth he himself receive the brethren, and forbiddeth them that would, and casteth them out of the church (3 John 9-10).

Our purpose now is to examine that passage, and to note the qualities about this prideful man, and then to note how these same characteristics can be found in the church today. The purpose is that all of us might be thus warned, and then let each and every one keep himself pure (1 Tim. 5:22).

The behavior of a Diotrephes is (1) first, in attitude. Note that John states that he loved the preeminence. Jesus is to be the preeminent one (Col. 1:18), and one has a real character flaw if he desires a higher place than God gave him. Love of preeminence is seen in the behavior of the hypocrites in Judaism (Mat. 6:1-18). It is an improper motive for one desiring any work in the church and is contrary to the Will of God in any event. Diotrephes first had a problem with humility.
