**“TENNESSEE BIBLE COLLEGE PREPARES PREACHERS,
TEACHERS, AND OTHER CHRISTIAN WORKERS”
BY: JASON GANN**

Tennessee Bible College takes seriously the Great Commission given by Christ to, “Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world” (Matthew 28:19-20). I am thankful to be an Alumnus of this school, a teacher at this school, and now the Registrar of this College.

It is a blessing to work alongside great Christian brothers and sisters in serving a student body that is exceptional. I encourage anyone interested in receiving intensive, quality instruction in the Bible to enroll. It is great being able to oversee student enrollment into this great College and helping students to enroll, along with providing input to those inquiring about the College. Tennessee Bible College is a College that loves God and His Word and is in its 45th year of operation. I want to share with you some opportunities related to this College.

TBC offers both on campus and online classes. You could take classes both ways or just one of those ways. Some prefer the traditional setting of a classroom, whereas others prefer the convenience of learning from their homes on their computers. It is up to you to decide which you prefer!

Also, TBC has a totally revamped website at www.tn-biblecollege.edu. You can go on there and apply online. You can see the programs of study, which include the Diploma of Preaching or Diploma of Teaching, the Bachelor of Religious Education, the Master of Theology, and the Doctor of Theology. Classes are open to men and women. In fact, my wife presently attends the College online. Those wanting to learn how to better preach, how to better teach Bible classes, or how to just simply be a better Christian are encouraged to enroll. There is no subject more important than the Bible to learn in a college setting or any other setting for that matter. You can take classes for credit or if you do not want to pursue a degree, you can take classes for audit. There are scholarship opportunities available, also, for those who qualify. Events at the College are found on the website

You can hear many lessons on audio for free. You can visit the Restoration History Library, which is free information from many years ago provided to you. You can check out the “Ring Out the Message” Blog, where Bible articles are posted regularly. I am thankful to write for this Blog. There is even a TBC Student Spotlight, where different students are featured. If you have any questions, you can fill out the “Contact” form, and I am happy to address any questions you have, or simply ask me in person. Currently, there are three free courses offered by the College. I will include pictures of those in this bulletin. I encourage you to enroll at Tennessee Bible College. You will enjoy it so much!
